- In particular, the module "Other complementary competence" in the curriculum for complementary competence may receive new study units even at short notice before the start of enrolment.
- These studies are often offered on a one-off or fixed-term basis.

3AMK offers language studies etc.

- Diverse, typically week-long intensive studies covering current topics (including artificial intelligence, entrepreneurship and leadership, marketing, service design, well-being and study skills, future trends, and foresight).
- Comprehensive language studies.
- Larger, working life oriented competence modules, consisting of multiple study units (previously learning lines), the structure of which will be updated in autumn 2023.
